

Your filing needs are unique. All of our folders, envelopes, jackets, and pockets can be made to your exact specifications. If you can imagine it, we can create it!

FACTORY INSTALLED POCKETS

Add a factory installed pocket to your folder!

For easy access, pick a pocket. Ideal for items that can not be hole punched or fastened. Request any size and position that works for you!

Select a material that best suits your needs:

Flat or Expansion Paper Pockets

Choose 11 pt. or 15 pt. in manila or kraft or other paper stocks. You decide!

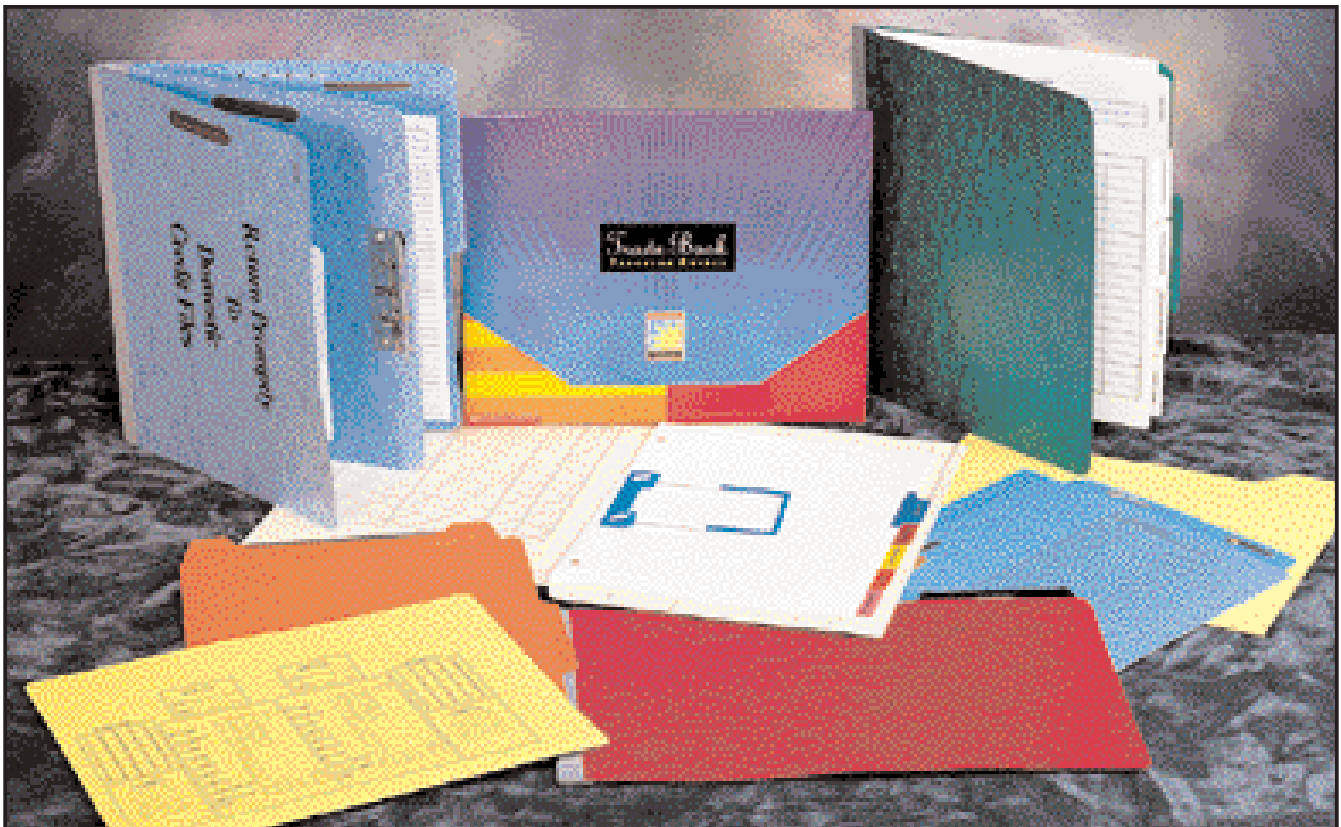

Crystal Clear Vinyl Pockets

Crystal clear vinyl to readily see your contents. Standard 5 or 6 mil for durability.

Popular Poly Pockets

An economical alternative to vinyl with see thru front. Made 2-5 mil polyethylene.

CUSTOMIZING POSSIBILITIES

Consider one or more custom options for your filing system:

Bar coding, collating, color coding, die cutting, dividers, expansion, eyeletting, fasteners, filebacks, guides, gussets, indexes, labels, numbering, paper stocks, partitions, pockets, printing, punching, reinforcing, scores, special sizes, stitching, and tabs.
